Re: Notice of Intent to Plan

Dear The Rapid:

Please allow this letter to serve as our formal notification of our intent to prepare a master plan in accordance with the Michigan Planning Enabling Act, PA 33 of 2008, as amended. While you recently received this notice as well as our notice of adoption of the master plan, the Allendale Charter Township Planning Commission is revisiting a former Town Center concept and therefore is initiating the process to prepare the master plan again.

As always, we encourage your cooperation and comment. Additionally, we welcome any literature you consider valuable and able to assist us with our planning process.

We intend to submit copies of the master plan and any other related documentation required by the Act by electronic mail pursuant to a link on our website, which you can find here: www.allendale-twp.org. Printed copies will be available upon request.

It is our objective to create the most comprehensive plan possible for the benefit of Allendale Charter Township and the region. Consequently, we realize the importance of cooperative planning, as it is essential to achieving such comprehensiveness. As a result, we look forward to your contributions and wish you the best in similar endeavors that you may pursue. Thank you in advance for your attention to this matter and any contributions you may provide.

Very Truly Yours,

Mark Adams, Chairperson
Allendale Charter Township Planning Commission
