Re: Master Plan Review – Community Tabling Results and Next Steps

---

On October 9th and 10th we hosted a table as part of other existing community events, Ravenna High School football game and movies in the park/trick or treat. Feedback given during these events were very limited. As such, we have no new information to provide to the Planning Commission.

Attached is a copy of the compiled draft Master Plan for review at your November 24, 2026, meeting. We seek your feedback on next steps.

a) Would the Planning Commission like us to plan for a in-person community feedback presentation in early 2027?
b) Would the Planning Commission like to proceed with legal review of the draft Master Plan without further community outreach at this time?

Please let us know if you have any questions.
